More about us

With more than 75'000 people worldwide, Philip Morris International, the world's leading international tobacco company, takes great pride in being a significant employer around the world. This has allowed us to develop a strong knowledge and appreciation of our business environments and diverse cultures, giving us an exceptional ability to make our brands successful in different countries.

We attribute our corporate culture and superior business results to our people. While they have different perspectives and potential, each has the passionate, entrepreneurial enthusiasm for global business. This unites our people, vitalizes our brands and demonstrates our values every day around the world. It is what we're looking for in smart and dedicated individuals like you.

Graduate opportunities

Careers with us can literally span the globe. You could find yourself on international assignments, overseas training, or global projects. Working with other nationalities is second nature to us and enriches our corporate culture. Our goal is to build an environment of equal opportunities, where each employee can use their unique talents to contribute creative ideas to meet and exceed business and personal objectives. As a learning environment, we enable you to develop the relevant expertise. You and PMI share responsibility for your career management, so you can realize your ambitions and show your potential. We have a portfolio with some of the most successful brands in the consumer goods industry. You get the benefits of working for a company that has a longstanding success, plus the challenges of ambitious strategies.
